

NETWORKING

Our local and state titleholders have found incredible success in their professions, and the Miss Connecticut Sisterhood Sorority will be utilized as a way to connect our members to leaders of numerous industries in Connecticut, and across the country.

SISTERHOOD

Lasting bonds are created while competing in the organization, and the Miss Connecticut Sisterhood Sorority will be a way to stay connected, or reconnect, with the women who competed alongside you.

MEMBERSHIP PERKS

Members of the Miss Connecticut Sisterhood Sorority will be invited to exclusive events throughout the year, receive VIP tickets to the Miss Connecticut 2021 competition, and help welcome the outgoing Miss Connecticut to our Sorority.

Membership to the Miss Connecticut Sisterhood Sorority is open to all former *local and state* titleholders who competed in the Miss Connecticut Scholarship Organization.
